General Terms

AlsoEnergy shall use commercially reasonable efforts to respond to a specific response time. However, the times specified are targets and not a guarantee. Neither AlsoEnergy nor the service provider is responsible for failure to fulfill its obligations pursuant to these Terms and Conditions due to acts of God, labor disputes, shortages of parts or materials or any other causes similar or dissimilar, beyond its reasonable control. These Terms and Conditions and the Expanded Warranty Coverage and Service Options together constitute the complete and exclusive agreement regarding the warranty and service terms and conditions of AlsoEnergy branded product. These Terms and Conditions supersede any prior agreements or representations-including representations made in AlsoEnergy sales literature or advice given to customer by AlsoEnergy, an AlsoEnergy authorized reseller, or an agent or employee thereof-that may have been made in connection with customer's purchase of the Product. No change to the conditions of these Terms and Conditions is valid unless it is made in writing and signed by an authorized representative of AlsoEnergy. AlsoEnergy may in its sole discretion modify the Terms and Conditions at any time and from time to time. If any provision of these Terms and Conditions is held invalid by any law or regulation of any government or by any court, such invalidity will not affect the enforceability of other provisions in these Terms and Conditions. These Terms and Conditions will be governed by the laws of the State of Colorado. Any legal suit, action or proceeding arising out of or relating to these Terms and Conditions will be commenced in a federal or state court in Boulder County, Colorado, and each party hereto irrevocably submits to the exclusive jurisdiction and venue of any such court in any such suit, action or proceeding.

In the event of a defect, these are your exclusive remedies.
